

# Impact Zone - Let's do one together

How might these policies/practices impact the lives of people of colour?

**Some people say:**  
"People with white sounding names will fit in better with the rest of the team!"

A person with an ethnic sounding name is less likely to be offered an interview than a person with a white sounding name.

What might an anti-racist do?

# Impact Zone - Now it's your turn .

How might these policies/  
practices impact the lives of  
people of colour?

**Some people say:**  
"Hair needs to look  
neat and smart for  
school!"

School uniform &  
hair policies are  
leading to black and  
mixed-black pupils  
being excluded.

What might an  
anti-racist do?
